DECLARATION OF USE in accordance with the Chemicals Prohibition Ordinance

Client:

Consignee:

Supplier: Rösler Oberflächentechnik GmbH, Vorstadt 1, 96190 Untermerzbach

For the material   we declare the following:

The material supplied will be used exclusively for (exact intended use):

We confirm that we

- as the end user will only use the substances, mixtures and preparations supplied by you in the permitted manner in accordance with the intended use stated above.
- as a trader for substances, mixtures and preparations labeled with the hazard pictograms GHS06 or GHS08 and the signal word "Danger" (with the exception of GHS08, signal word "Danger" and exclusively H304 or H334) are in possession of a permit in accordance with the Chemicals Prohibition Ordinance or have reported the placing on the market.
  This requires a qualified company employee.
- entrust the declaration of substances, mixtures and preparations marked with the hazard pictograms GHS02 and the hazard warnings H224, H241, H242, GHS03, GHS06 as well as GHS08 and the signal word "Danger" (with the exception of GHS08 signal word "Danger" and exclusively H304 or H334) to dealers, resellers, professional users and public research, testing or teaching institutions only to persons who are trained annually, provided that they are not qualified persons.
- will not pass on any substances, mixtures and preparations to private end users or that we will do so only in compliance with the provisions of the Chemicals Prohibition Ordinance and Regulation (EC) 1907/2006.
- have been advised by this declaration that further and/or supplementary directives and regulations must be observed and similarly worded and/or more specific declarations of use and/or end-use must be obtained in the case of transfer or sale to third parties and in the case of sale and export to a non-EU state.
- This declaration is valid for one year.
  We will inform Rösler Oberflächentechnik GmbH immediately if this declaration becomes invalid.
